Summary

Highly motivated and energetic computer engineering undergrad with good programming and analytical skills, and aspire to become a successful computer science researcher in the field of Data Science including machine learning, statistical data analysis, stream mining, graph algorithms and optimizations and not limited to.

Education

2009–2013

Bachelors in Computer Engineering

- Tribhuvan University, Institute of Engineering, Central Campus Pulchowk
- **English** medium course
- **Grade: 78.6%, First Division**

Awards

- Received **Full-scholarship** based on merit of entrance exam. [2009-2013]
- Received **Stipends** based on merit of semester exams.[2009-2013]
- **Best Implemented Project Award** for Major Project
